

Did you know...

Oregon's birthday is on Valentine's Day?
That's right! Oregon became the 33rd
state on February 14th, 1859 turning
162 years old this year!

The Carousel features many Oregon symbols beautifully carved and handpainted. Here are just a few of our favorite ones that represent the state of Oregon and some of our local cities Salem and Keizer. Can you find these when you come for a ride?
